Any part of this document cannot be copied, reproduced, modified, or translated to other languages without the prior written consent of M3 Mobile.

The contents of this user manual were written based on the “current state” of the product, and the details of this manual are subject to change without the prior notice.

M3 Mobile does not provide any guarantee including the implied guarantee on the product’s characteristics in this user manual and suitability for special purposes, and any other guarantees not limited to them.

Microsoft, Windows, MS Office, Outlook, ActiveSync, Internet Explorer, Windows Logo, and Windows CE, Windows Mobile Logos are registered trademarks or trademarks of Microsoft in the USA or other countries. The license for OEM of Microsoft products was provided by Microsoft Licensing Inc., subsidiary company of Microsoft.

M3 Pistol Grip is a trademark of M3 Mobile.

All product names and services used in the manual and product are company names, service marks, trademarks, or registered trademarks of the corresponding right owners.

Notice – General Notices

The contents of this user manual were made based on the “current state” of the product, and this manual may contain technical and editing errors or omissions

When separate application programs are developed and provided by the product providers using the product, refer to the program user’s manual provided by the product providers.

The companies that produce separate application programs besides the basic installation programs must include the contact telephone number for inquiring about these programs on the product, program, or product box separately when distributing the equipment.

M3 Mobile does not guarantee the quality of the programs produced by third party software companies installed after the release from the factory of M3 mobile.

M3 Mobile may request programs from the program manufacturers in order to guarantee the quality of the product to meet the requests of mobile network service providers.

Warnings and Cautions for Safety

Before You Begin

Please read the warnings and cautions for safety carefully before you begin to avoid any damages or accidents. If you are not certain on any information given in this manual, please contact your supplier.

Customer Cautions

If the device is lost or stolen, then immediately report the incident to the service provider.

Refrain from using the device while driving.

When service for the product is required, request services through the designated service center of M3 Mobile.

For inquires about the application programs and other work programs besides the hardware and the basic installation, directly contact the corresponding program manufacturers.

Do not use any battery adapter or accessories other than the designated ones provided with the product.

Free warranty service may not be allowed if failures occur due to unauthorized use or misuse of the product.

Warnings and Cautions for Safety – Cntd.

Cautions in Carrying and Storing

Do not use the product in high temperature or high humidity environments as this may quickly cause damage to the product.

The product was designed to be suitable for work environments, but avoid impacts or dropping the product. This may cause fatal damage to the product.

Fully charge the battery before using the product for the first time.

Do not modify the product

Do not try to modify the product by any means.

Modifications may cause fire, injury, electric shock, or serious damage to the equipment and users.

The warranty service is not provided for troubles due to unauthorized modification.

Usage – Description

A-OPG-STD0-070-R00 is one of the M3 Mobile's optional accessories for ease of scanning function.

Description

Refer to next images ([A-OPG-STD0-070-R00](#)) for Pistol-Grip parts and descriptions.

1. **Device Slot** – A PDA slides into the slot for barcode data scanning.
2. **Conductor** – Connection between PDA and Pistol Grip so that barcode data scanning works normally.
3. **Scan Trigger** – Barcode data can be read by pressing yellow Scan Trigger.
4. **Handle** – Ergonomically designed to easily hold and scan barcodes.
5. **Release Button** – Press and hold to slide out PDA from Pistol Grip.

Usage – how to use

How to use

- Step 1. Make sure that the Scanner Program is running.
- Step 2. Slide in PDA to the Pistol Grip as shown in the left diagram. It clicks when a PDA is on the right position.
- Step 3. Gently grab the handle of Pistol Grip.
- Step 4. Press the Scan Trigger toward barcode to read.
- Step 5. After use, press and hold the Release Button to slide out the PDA from Pistol Grip.

Note Scan Button on the PDA will still work as normally while the Pistol Grip is attached.

Services and Support
